Again this year we have had many calls from people who have never vended at our show. Since 2019 vendors have first choice, we are writing to you to give you a chance to commit early. That way we will know if we will have room for any new vendors to set up.

Please fill out the enclosed contract and return it with the \$100 vendor fee no later than April 1st. After April 1st we will be able to assign any empty spots to the new vendors who want to come.

If you have questions or if you need more information, call us at the numbers listed below. Please be sure to get back with us by the dead line.

We are looking forward to working with you again this year.
