

October 18, 2019

Dear Organization,

The Grand Rivers Chamber of Commerce is honored to partner with numerous community-based organizations, groups and clubs each year with the support of donations.

Prior to each new Calendar Year, the Grand Rivers Chamber of Commerce will set a limited donation budget for the upcoming year. Because of this limited pool of donation funds, the Chamber will jury donation requests.

All requests for donations must be submitted according to the “Charitable Donation Policy” and a completed “Request for Donation Consideration Form”. Donation request forms may be picked up in-person at the Grand Rivers Chamber Office during regular business hours or downloaded online at grandrivers.org/chamber.

In compliance with the Grand Rivers Chamber’s by-laws and for practical reasons, the Chamber will not consider donation requests from the following: Individuals, for-profit businesses (with the exception of sponsored events that have broad community benefit), taxing entities, religious organizations, political candidates, parties or organizations, or for causes that the membership deems to be contrary to the Chamber by-laws or ethical responsibilities.

The Grand Rivers Chamber of Commerce host events, activities and community projects throughout the year, including events that raise funds for donation requests. The Grand Rivers Chamber respectfully requests that your organization consider volunteering to assist in making these yearly projects possible.

The Grand Rivers Chamber of Commerce looks forward to the possibility of partnering with your organization.

Sincerely,

Grand Rivers Chamber Of Commerce
