

# Clues

- 1. The Sun rises in the East, sets in the West, early morning Jack can attest the sun on the water at Little Lake he likes best.*
- 2. Jack "Gathers here with a grateful heart", in the midst of pumpkins, mums, and horse-drawn cart, Jack searches his heart.*
- 3. The Musical Trail Jack loves to play, his favorite is colorful station 8 (map of musical trail on [grandrivers.org](http://grandrivers.org))*
- 4. Inside the Lighthouse Jack likes to sit, inside he sits and never a frown for this place reminds him of home in Halloween Town.*
- 5. When Jack is ready to grab a bite or quench his thirst he makes his way to the place name for a "parched reptile", with a smile and laugh he sticks his skeleton face in the cut-out of Myrtle and for a moment pretends to be a turtle!*

## TO PLAY

- Find one or all of Jack's Glitter Pumpkins
- Take a pic of you & your find
- Post your pic in the comments @grandriversky
- Return the pumpkin EXACTLY where you found
- By posting your photo you are entered into the drawing!
